

No. 574 - K

MOST IMMEDIATE

The Embassy of the Russian Federation presents its compliments to the Ministry of External Affairs, Government of India, and has the honour to inform that Aeroflot charter flight No. SU571 is planned to depart from Delhi to Moscow on April 1, 2020, at 05:50 in order to evacuate Russian citizens currently unable to leave India.

Due to the movement restriction measures implemented by different states and union territories of India (cancellation of motor, rail and air transportation; closing of interstate borders, etc.), many Russian nationals have no means and/or are not allowed to reach Delhi in time.

In this regard, the esteemed Ministry is kindly requested to ensure that Russian citizens who want to be evacuated are free to move across the country. All the authorities concerned (including the local police in all the states and union territories) may kindly be instructed accordingly.

The esteemed Ministry's prompt reply with a copy of the respective circular instruction would be highly appreciated.

The Embassy avails itself of this opportunity to renew to the Ministry the assurances of its highest consideration.
